

ChE Assist User Agreement

The Chemical Engineers' Resource Page, a sole proprietorship with a central office at 2830 Providence Creek Road, Richmond, VA 23236, agrees to supply information deriving from other sources to _____ of _____ (hereafter referred to as "**End User**"). After the supply of such information, the End User will also be supplied the available contact information for the individual or corporation supplying such information (hereafter referred to as "**Solution Provider**"). The End User agrees to supply payment in the amount of \$ _____ (U.S. Dollars) for the receipt of the requested information.

Payment. Upon receipt of confirmation of deposit to a designated online account or the receipt of a valid purchase order number, the End User will be supplied any and all information supplied to The Chemical Engineers' Resource Page from the Solution Provider. After receipt of such information, The Chemical Engineers' Resource Page reserves the right to collect the agreed to amount for the supply of such information. All charges made by The Chemical Engineers' Resource Page to the End User are non-refundable.

End User's Rights. The End User reserves the right to reject any Solution Provider described by The Chemical Engineers' Resource Page in its search for a suitable provider.

Limitation of Liability. By signing this agreement the End User acknowledges that The Chemical Engineers' Resource Page is acting only as a facilitator in acquiring information and The Chemical Engineers' Resource Page and any of its affiliates make no guarantee of the accuracy of such information supplied. IN NO EVENT WILL THE CHEMICAL ENGINEERS' RESOURCE PAGE, ITS SUPPLIERS, OR OTHER THIRD PARTIES MENTIONED AT THIS SITE BE LIABLE FOR ANY DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, THOSE RESULTING FROM LOST PROFITS, LOST DATA OR BUSINESS INTERRUPTION) ARISING OUT OF THE USE, INABILITY TO USE, OR THE RESULTS OF USE OF THIS SERVICE, ANY WEB SITES LINKED TO THIS SITE, OR THE MATERIALS OR INFORMATION CONTAINED AT ANY OR ALL SUCH SITES, WHETHER BASED ON WARRANTY, CONTRACT, TORT OR ANY OTHER LEGAL THEORY AND WHETHER OR NOT ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IF YOUR USE OF THE MATERIALS OR INFORMATION FROM THIS SERVICE RESULTS IN THE NEED FOR SERVICING, REPAIR OR CORRECTION OF EQUIPMENT OR DATA, YOU ASSUME ALL COSTS THEREOF.

Disclaimer. THE MATERIALS PROVIDED AT THIS SITE ARE PROVIDED "AS IS" WITHOUT ANY WARRANTIES OF ANY KIND INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT OF INTELLECTUAL PROPERTY. The Chemical Engineers' Resource Page further does not warrant the accuracy and completeness of the materials supplied.

Professional Engineering Assistance. If the End User explicitly requests the assistance of a professional engineer, the End User may be required to enter an agreement with the Solution Provider separate from and in no way affiliated with The Chemical Engineers' Resource Page or any of its members or affiliates. The Chemical Engineers' Resource Page agrees to take steps to acquire a photostatic copy of the license of any such professional engineer, however the responsibility of final verification will be that of the End User.

Applicable Laws. This Site is administered by The Chemical Engineers' Resource Page from its office in Richmond, VA. The Chemical Engineers' Resource Page makes no representation that materials at this Site are appropriate or available for use outside the United States, and access to them from territories where their contents are illegal is prohibited. You may not use or export or re-export the materials at this Site or any copy or adaptation in violation of any applicable laws or regulations including without limitation U.S. export laws and regulations. If you choose to access this Service from outside the United States, you do so on your own initiative and are responsible for compliance with applicable local laws. These Terms will be governed by and construed in accordance with the laws of the State of Virginia, without giving effect to any principles of conflicts of laws.

General. The Chemical Engineers' Resource Page may revise these Terms at any time by updating this posting. You should visit this page from time to time to review the then-current Terms because they are binding on you. Certain provisions of these Terms may be superseded by expressly designated legal notices or terms located on particular pages at this Site.

Resolution of Dispute. If, after any information is transferred from the Solution Provider to the End User, there remains a dispute regarding the completeness of the solution provided, The Chemical Engineers' Resource Page will facilitate negotiations to find a suitable resolution to the dispute based on all work performed. The resolution may consist of a charge equal to less than 100% of the total payment amount agreed upon. If it appears that the solution provider has adequately answered all questions set forth by the End User, the End User may be charged the 100% of the total payment within this agreement.

Use of Information. The End User is hereby notified that any information provided by a Solution Provider that is not a licensed Professional Engineer in any state within the United States of America is being provided with the understanding that the End User has sufficient chemical and engineering expertise to ensure wise, safe, and proper use of the ChE Assist service provided by The Chemical Engineers' Resource Page.

Non-Disclosure. No information discussed as a result of this agreement shall be disclosed to any outside source not involved in the transaction process without the expressed written consent of the End User. Solution Providers will also be required to adhere to this notice of non-disclosure in order to protect the End User.

Payment: Payments should be made to:

Christopher M. A. Haslego
c/o The Chemical Engineers' Resource Page
